

Product model:	ITY-PT64(4Mp+4MP)
Processor:	XM650V200
App Name:	Tuya/ Smartlife
Image sensor:	1/3 HD CMOS 2 megapixel CMOS sensor(SC2336)
Manual video format:	MP4(1920*1080P, storage in mobile)
Video compression standard:	H.264
Video frame rate:	1920*2160P, Max 25 frame
Video playback mode:	Mobile client
Audio input and output:	Input: built in microphone; output: built-in speaker
Lens:	4.0MM + 4.0MM
Focusing method:	Manual
Infrared night vision effect:	8pcs IR + LED lights, night vision 15 meters, power consumption 1.2W; Control the ir light and IR-CUT switch through photoresistance
PTZ control:	Horizontal rotation 350 degrees vertical 85 degrees
Local storage:	Support MicroSD inserted 128GB card, support 24 hours of video or video alarm
Cloud Storage:	Support
Support multiple protocols:	HTTP,HTTPS,TCP,IPV4,UDP,ICMP,DHCP,DNS,ONVIF
Wifi:	Support IEEE 802.11b/g/n
Motion detection:	Support
Video method:	Continuous video/Event video
Alarm action:	Mobile client push screenshot
Firmware upgrade:	Remote upgrade can be through the network
Multi-user sharing:	Family share to 20 users
Supply voltage:	5V
Working temperature:	-20 degrees C ~60 C
Working environment:	Outdoor
Carton size:	51.9*52.5*52.2CM (36pcs/Carton)
Gross weight/carton:	25Kg (Roughly estimated)
